Telephoning the race verification service or by using the Club's Website verification service.

"IF VERIFYING BY TELEPHONE"

Telephone: 02382 182965

Once you have left your details please hang up. You will NOT be given a verification number.

"IF VERIFYING USING THE WEBSITE"

Your "VRC" Number for BARCELONA is 1234

**YOU WILL BE GIVEN A VERIFICATION NUMBER WHICH BEGINS WITH A "V" & 4 DIGITS
YOU WILL NEED TO WRITE THIS VERIFICATION NUMBER ON YOUR PAPERWORK**

When sending your clock paperwork back after the race you must include a verification form with the ring numbers written on there with how many birds you would like on the result.

All clock paperwork must be with the Secretary by the Wednesday after the race.

Any member wishing to compete in channel racing must have registered with DEFRA and will need to bring to the marking station a copy of their CPH certificate, their completed, signed and dated Racing Pigeon Establishment Operator Declaration (part 2 of the registration) to be able to race, proof of the Veterinary Practice you are registered with and your Vaccination Form. This complies with the conditions of the veterinary health certificate. Your birds cannot be accepted at the marking station without these documents.

It would be helpful to know which members are intending to register with DEFRA for channel racing as this will give the Committee an idea going forward on how many members are interested. (if you would like to email the secretary)

Following the RPRA update on Tuesday 17th May informing us that we must be registered with a Veterinary Practice before we can race the channel but we do NOT have to have a loft visit from a Vet, please see the following link to David Parsons Veterinary Practice if you wish to use him.
