

**Fougeres 2 National**  
**1<sup>st</sup> Open 1<sup>st</sup> Section E**  
**Michael Lovelock from Shrewsbury**  
**with “Pam”**

Firstly I would like to thank Steve and Patrick for taking such good care of 1,690 birds on board the transporter on what was record breaking temperatures over this weekend.

With the predicted weather forecast, the plan was always to liberate the birds as early as possible at Fougeres and with the temperature 20° at 6am Saturday morning and nothing else to hold them up the birds were away with no wind on site and an east, south easterly force 3-4 in the channel.

Easterly winds and boiling hot conditions have never mixed well, so this was always going to be a testing race for them.

Thank you to all the markers and helpers at the marking stations.

With an outstanding performance from our Fougeres Winner taking **1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> Open 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> Section E** flying in to Shrewsbury, congratulations to **Michael Lovelock**. I started racing as a boy in 1968. My first prize winner was from Nick Morris known as Bourder Lad today.

Started racing cocks in 1975 with great success, right through until 2001 when work took me to Belgium where I met an incredible man by the name of Astere Vergotter who taught me the ins and outs of racing hens. I started racing hens in 2006 with fantastic results, then had to pack in again.

In 2016 I retired so I decided to start up again. Looking for what I thought are good pigeons I approached Eijerkamp in Holland purchasing many young birds from their top lines. The winner of Fougeres is a steffan Lambrecht, the second hen is a Van Loon and the third hen is of the New Olympiad lines.

I only have a team of 8 hens to race this year and they have performed very well so far this season. The Name of the first pigeon is called Pam after my late friends wife who past away a few weeks ago.

Michael Lovelock

Our next couple are no strangers to being at the top of the tree being previous Barcelona Club winners themselves and now part of the marking team at Frome **1<sup>st</sup> Section B 4<sup>th</sup> Open Lawrence and Marg Cowley from Dorchester**. We timed in a four year old roundabout cock having his 5<sup>th</sup> channel race – he has always been in the first few back, and is a son of our BBC Niort winner. All the birds are fed Countrywide corn and thanks to Marg for all her help – a real partnership. We would also like to congratulate the winner and also a big thank you to Clare for all her hard work.

Marg Cowley

**2<sup>nd</sup> Section B 5<sup>th</sup> Open** is a man of few words who over the years has always lets his birds do the talking **Pete Hollard from Lychett Matravers**. I would like to congratulate the winner and thank my mate Robbie Hooper for pushing me into sending to this race and for taking birds to marking station.

My bird GB17N075479 is a 2 year old mealy widowhood cock of mainly my old family with a cross from Terry Wareham, this is the bird's 9<sup>th</sup> race of the season including 6 channel races being my 1<sup>st</sup> bird on three occasions. He is flown on my basic widowhood system with no training only home exercise when racing has started.

Pete Hollard

**Richard Goodier & Sons from Exeter** have been very consistent flyers for many years now, taking **6<sup>th</sup> Open 3<sup>rd</sup> Section B.** I was over the moon to be 6<sup>th</sup> Open Fougères yesterday although as usual with me there was a bit of drama. I had three yearlings come together from the North which was a bit strange, they must have dog legged a little. They trapped in their own lofts but unbeknown to me only one had registered. It wasn't until 30 minutes later when I went to get the verification times I noticed they were not on the clock. After a mad few minutes I noticed that the cable coming from loft one to the other two lofts had been cut in two while hedge trimming earlier in the morning so the rest of the arrivals had to be caught and timed in on the pad which was working. I am very thankful that one had timed in!

The pigeon which was 6<sup>th</sup> Open was actually the third bird to trap, he is a blue yearling Vandabeele x Ceusters racing on the roundabout system. He has been a great bird to date winning 10<sup>th</sup> Fed Purbeck, 6<sup>th</sup> Fed Bedhampton, 13<sup>th</sup> Fed Brighton, 3<sup>rd</sup> Fed Bedhampton, 10<sup>th</sup> Fed Lyndhurst and 11<sup>th</sup> Fed Lyndhurst and is from good race birds.

The Grand sire won 4 x 1<sup>st</sup> Clubs, 2 x 1<sup>st</sup> Feds, 2<sup>nd</sup> Section NFC Saintes, 3<sup>rd</sup> Section NFC Messac, 3<sup>rd</sup> Section 4<sup>th</sup> Open NFC Cholet and is a Jos Thone. The Dam won 2<sup>nd</sup> Open Lamballe, 1<sup>st</sup> Section, 2<sup>nd</sup> Open NFC Saintes and is a Jos Thone x Jan Aarden. The dam to 4<sup>th</sup> Open has won 3 x 1<sup>st</sup> Feds and 1<sup>st</sup> Combine Brighton.

The birds are all raced on the roundabout system and are Fed on a variety of Verse Laga corns to suit the up coming race

Congratulations to M Lovelock who timed three good birds.

Richard Goodier

**1<sup>st</sup> Section C 7<sup>th</sup> Open Brian Millard from Temple Cloud.** Firstly I must congratulate the race winner on a fantastic performance also congratulations to all section winners.

My bird is flown widowhood and is bred with distance in mind being bred from a blue w/f cock purchased at Wilf Reeds clearance sale when paired to a chequer w/f hen gifted to me by Stan Dangerfield – a true gentleman of our sport.

Birds this year are being fed on a mixture of Verse Laga and Countrywide products.

Lastly thanks to the convoyers for getting the birds home in such tremendous condition.

Brian Millard

Lovely to see my good friend **Robbie Hooper from Poole 8<sup>th</sup> Open**. Many congratulations Rob. My chequer yearling cock was bred from my champion perfect 10 lines which have bred winners in every generation, he scored at Messac earlier this season and is flown on widowhood always back to his hen, he has flown the channel most weeks since May.

My next bird clocked was of the same lines on the Dams side crossed with a cock from my friends Clare, Martin & Jack Norman from their Andy Parsons lines.

Robbie Hooper and Grandson Max

In **2<sup>nd</sup> Section C 9<sup>th</sup> Open** is a handsome pair of guys **Merv Wyatt & Dave Gray from Nailsea.** (*I think Merv just pips Dave on the looks*). Firstly we would like to congratulate all the section winners on their performances. Our bird was raced on the natural system and sent to this race sitting 12 to 14 day eggs. In preparation for this race he had several inland races and two channel races one from Fougères and one from Messac all with the West of England South Road Combine. He is a very well bred bird and has two grandparents that won the National, one being Gary Summers Saintes NFC winner the other being Paul Titcombe's Cholet NFC winner with our own distance birds blended in. Our birds are fed on our own homemade traditional mix. We would like to thank Clare for all her hard work as secretary.

Merv Gray

Pulling all the stops out this season is **Vincent McConnell (R & V McConnell) from Ferndown.** Firstly I would like to congratulate the winner and all section winners. Noticed that the south east Dorset flyers took advantage of the south east wind on a very hot and sticky day as they've been doing in the Fed for the past 3 weeks. Congratulations ass kicking boys.

A big thank you once again to Alfie and Nicky for taking my birds.

The breeding of this yearling hen is - The cock bird was from my "step dad" John Gerald from his flo lines birds and the hen was off my good friend JJ Johannes Schoeman "the African with the mouth", off his Hereman Ceusters paper pigeons. A Big thank you to both of these!

The hen was raced on roundabout having her 5<sup>th</sup> race of her season, fed various bits, this is where another thank you goes out to GWP Macaloney "Mr Duiff"

For his help. After my Classic win he told me F.O as his phone hasn't stopped with now being a free advise line. Thank you Clair and Steve.

Vincent McConnell

**Martin Williams from Hereford** to me has been my most top fancier this old bird season with some truly outstanding performances in Nationals and Classics. Today **11<sup>th</sup> Open 3<sup>rd</sup> Section C**. Firstly congratulations to all the winners, especially Mr Lovelock for three super birds, well done. My first arrival was a yearling hen on the roundabout system. Her breeding is my old line, 3/4 Roodhooft x 1/4 Jan Huybregts. The grandfather is "Little Joe", a top breeder for Wade Brothers of Durham, her father is one of my best stock cocks. She has been consistent in my Combine racing. Her full sister, again as a yearling, won 5<sup>th</sup> Section J, 29<sup>th</sup> Open from Messac with the NFC. Considering the high temperature, the birds made good time based on my earlier club birds which were only doing 46 mph from Exeter. My returns on the day were 14 out of 16.

Martin Williams

Martin's yearling hen

Next in to **Section E Keith Rhodes from Telford 4<sup>th</sup> & 5<sup>th</sup> Section E 12<sup>th</sup> & 13<sup>th</sup> Open** who is always at the forefront of any result. GB17Z82418 4<sup>th</sup> Sect E 12<sup>th</sup> Open GB16N67691 5<sup>th</sup> Sect E 13<sup>th</sup> Open. The two blue cocks I timed in are brothers.

First in clock was 18 who as been a very good pigeon as yearling he won 2 x 1<sup>st</sup> and numerous other prizes this year he as been in the clock most weeks winning St Georges Flying Clubs Club Carentan race. This year he's also had 3 x 2<sup>nd</sup>'s and also won the Clubs inland show race.

The 2<sup>nd</sup> pigeon timed is 91 this pigeon has won 5 x 1<sup>st</sup> in local Clubs and numerous other prizes.

He's also been 18<sup>th</sup>, 33<sup>rd</sup> and 45<sup>th</sup> Open in the BBC before this weekends race.

He's a bit touchy now as he's been caught that much so I only catch him when I need to now.

The sire is a blue Vandenabeele purchased off Graham Hancox in 2012, he himself won 11<sup>th</sup> Open NFC Cholet 64<sup>th</sup> Open NFC Cholet plus numerous other prizes in a short career before being put in the stock loft due to injury by BOP.

The dam is down from pigeons I purchased off Jim Gibbons of Sunderland many years ago these pigeons have been excellent for me winning many top positions in Club, Fed and National racing as well as RPRA Region awards and a diploma of distinction in the MNFC.

Keith Rhodes Number 18 & 91

**R E Taylor & Sons (John & Nigel) from Bristol 4<sup>th</sup> Section C 14<sup>th</sup> Open** with a yearling hen sent sitting 3 day old eggs. This was the hens first ever channel race, having only previously been raced with the Bristol Fed to East Prawle. Birds returned in good condition considering the very hot weather.

Nigel Taylor

**1<sup>st</sup> Section A** is the father and son partnership of **Bob and Mark Pegler from Downton**. Our section winner is a yearling widowhood cock. His Sire is a mix of Heremans Ceusters x Kirkpatrick from Salisbury club mate Roy Orchard x Chris Howse and his dam is a Heremans Ceusters. Well done to the winner who had a great race and to all the section winners.

Bob and Mark Pegler

Rod Rann

New member to the BBC joining a few short weeks ago and already making a good start is **Mr & Mrs Rod Rann & Son from Newport, IOW**. This hen is from a pairing of a cock bird purchased from C.B. & C. Harris of Aberdare from their own daughter of Noble dream 1<sup>st</sup> International Agen and a half sister to Noble dream purchased from Bob Besant at a Blackpool auction. The hen was prepared for Fougères with 3 races on the North and one race to Fougères with the Solent Fed the previous week. She was raced unpaired for most of the season but was sent on a day old youngster for the BBC race.

I would like to congratulate all the Section and Open winners on what turned out to be quite a tough race. Also I would like to thank the convoyers and BBC officials as I had 100% returns.

With their fair share of Section wins under their 1<sup>st</sup> **Section D is Paul & Esther Kenny & Family from Wantage**. Our section winner is a yearling red chequered cock flown on widowhood. He has previously been 4<sup>th</sup> Section 58<sup>th</sup> Open Cholet NFC and 4<sup>th</sup> Section 321<sup>st</sup> Open Messac NFC. He was bred by Roger Lowe and because he's a red our son Eamonn has claimed him as his own and now calls him Jerry along with his other red that he calls Tom.

The sire to our bird is a full brother to "Fast As Lightning" winner of the BBC by 25 minutes and sire of "Fast Red". Last seasons BBC winner. The Dam from Diamond 055 son of "My Little Diamond" when paired with a Grand daughter of "My Little Diamond". On the other side the Sire is the "Main Man" sire of last season's Sigogne NFC winner when paired to the hen that won 1<sup>st</sup> Central Southern Classic. He is a Janssen x Lou Woulter.

We would like to thank Roger for breeding us the bird and its very much appreciated.

Paul and Eamonn Kenny

Runner up to one of his own pigeons is the infamous **Roger Lowe from Reading 2<sup>nd</sup> Section D.** Sending 18 widowhood cocks I had 12 on the day and 5 the next morning.

My first bird home was my least expected he came back shattered from his last channel race so I didn't expect it to do so well. He is bred from the Jan a direct Jan Hooymans grand son of Harry and the Geeloger of Koen Minderhoud and the dam is a daughter of My Little Diamond when paired with Blackpool Harry bred by Hooymans from a son of Harry paired to a daughter. Having to wait a further hour for my next pigeon it turned out to be another testing race so well done to the winner.

Roger Lowe

**These next three lofts keep churning out the performances this year.**

**Dennis Baker from Maidenhead 3<sup>rd</sup> Section D.** My first bird is a yearling hen that has had a win earlier this season. She is from Harry/Delight bloodlines. 2<sup>nd</sup> bird is another yearling this time from Harry x De Raul Sablon the dam being a double granddaughter of the Gilbert 1<sup>st</sup> International Bordeaux. The 3<sup>rd</sup> bird is a two year old cock bird which was 9<sup>th</sup> Open from Fougères earlier this season and is the same way bred as my first bird. Had a good race with 29 on the day from an entry of 41 birds.

**1<sup>st</sup> Section G Khan Bros from New Malden.** We would firstly like to congratulate the winner and all Section winners in the race. Our 1<sup>st</sup> bird was a blue hen sitting due to hatch, she is bred from the line of Mark Gilbert's Southfield Mellisa and Ace Lofts Tipsey line. We would also like to thank everyone involved with the race preparations, all the best Khan brothers.

**Keith Gosling & Mick Jarvis from Mountnessing 1<sup>st</sup> & 3<sup>rd</sup> Section J.** The partnership timed a two year old blue hen recording her second section win having won the section last year from the BBC Fougères National she won previously 5<sup>th</sup> Fed Poole 17<sup>th</sup> Section 34<sup>th</sup> National 3<sup>rd</sup> Gold ring BBC Coutances 1<sup>st</sup> Section 95<sup>th</sup> National Fougères. This was her third Chanel race this year having

previously flown the NFC Fougères and Messac races both very tough races against an east wind she was previously raced on widowhood but was paired up for this race and was sent sitting 16 days. The partnership feed VL Super widowhood and Liege with plenty of peanuts added for the tougher races. Her sire was a blue cock himself a winner of 1<sup>st</sup> and 2<sup>nd</sup> Federation his mother is the partnerships Champion Ria in order of performances 26<sup>th</sup> Section 99<sup>th</sup> Classic 4<sup>th</sup> breeder buyer Vire 139<sup>th</sup> Section 256<sup>th</sup> NFC Fougères 46<sup>th</sup> Section 66<sup>th</sup> Classic Carentan 9<sup>th</sup> Section 50<sup>th</sup> Classic Alençon 17<sup>th</sup> Section 33<sup>rd</sup> BBC National Fougères 48<sup>th</sup> Section 79<sup>th</sup> BICC National Le Mans 26<sup>th</sup> Section 147<sup>th</sup> BICC National Alençon 112<sup>th</sup> Section 295<sup>th</sup> BBC National Messac 15<sup>th</sup> Section 21<sup>st</sup> BICC National Guernsey 2<sup>nd</sup> Section 4<sup>th</sup> BBC National Fougères 59<sup>th</sup> Section 170<sup>th</sup> BICC National Le Mans 24<sup>th</sup> Section 33<sup>rd</sup> BICC National Guernsey 91<sup>st</sup> Section 257<sup>th</sup> BICC National Alençon. The 3<sup>rd</sup> Section pigeon is a 4 year old blue cock flown on the widowhood system. He is a Van Loon Koopman bred in our stock loft and was having his 10<sup>th</sup> race of the season and his 4<sup>th</sup> channel race. Altogether in the NFC, BBC and BICC he has flown the channel 16 times and been clocked and placed in 9 of those including 4<sup>th</sup> Section E Fougères on the 18<sup>th</sup> May.
