**Terry Haley from Abbots Langley**  
**With “Simon’s Gift” & “Miles Away”**

With the temperatures set to soar for this weekend's race, most organisations had the same view to release the birds as early as possible on Saturday morning. Roger, Pat and Steve had the 1,564 birds sent by 118 members up and away at 6.15am in to a very light north west wind, turning on route to light west to north west as the birds progress southwards.

Our gratitude and thanks to everyone at the marking stations for all your help. Thank you also to Phyllis White from Bournemouth who supplied the delicious homemade cake with fresh cream at Southampton. (Sorry Andy Parsons, as it was fresh cream we couldn't save you any).

Well done to “the Watford 3” and its good to see 5 of the 7 Sections entered all in the top 12 of the Open.

Our warmest congratulations to our race winner **Terry Haley of Abbots Langley, nr Watford 1<sup>st</sup> & 2<sup>nd</sup> Open 1<sup>st</sup> & 2<sup>nd</sup> Section D**. In the attached photos it shows me, my wife Karen and two of our grandsons, Harry and Jack. Our other grandsons live in Auckland, New Zealand. The youngest is called Miles, hence the name of the 2<sup>nd</sup> National winner - I have called him ‘Miles Away’.

The winner of the National is a Blue Chequer Hen sent sitting 5 day old eggs GB19Z71584. This was bred by A & S Hughes of Rochdale Lancashire.

Simon has gifted me birds most seasons and I have won Club and Federation races on both the North Road and South Road sometimes with the same birds.

This pigeon is a Herman Cuesters via Premier Lofts. The sire is a son of ‘Wild Wind’ and the dam is a granddaughter of ‘ManoChester’. I have called this bird ‘Simon’s Gift’ I can only thank Simon once again for these regular gifts of

quality birds.

The 2<sup>nd</sup> National winner is a blue bar cock sent driving his hen. GB19H04848. This was bred by Kevin Henstock of Sutton in Ashfield, Notts. This was bred from Andrew Newton's pigeon called 'George'. This, I have as stated earlier called this pigeon "Miles Away"

I would like to thank all fanciers who have telephoned, text and messaged me to congratulate me ...it is much appreciated.

Well done to all section winners and everyone who competed.

And thank you to all the officials for organising these races in these difficult times...particularly Clare.

**3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> & 6<sup>th</sup> Open 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> & 6<sup>th</sup> Section D John Adams of Watford.** Firstly, to all the markers and committee members for all you do, thank you. Also well done to Terry Hayley on 1<sup>st</sup> & 2<sup>nd</sup> Open.

My first through the trap is a 2 year old celibate cock coming down from Mark Gilbert stock, Golden Gaby Dutch Master lines. Grand Sire was 1<sup>st</sup> Fed Inter Counties, 1<sup>st</sup> Section D 12<sup>th</sup> Fougères BBC. Dam is from 777 1<sup>st</sup> UBI Combine, Exeter bred by Mark. Second a yearling hen also going back to Mark's, with third a sister of the second. Fourth is a five year old hen, badly hawked as a yearling, but has since been everywhere, out of Vandenabeele x Daniel Aerens. I would also like to thank my partner in crime Dicky Boggins for his enthusiasm and helping me enjoy the pigeons again.

**7<sup>th</sup> Open Mr & Mrs Bryan Boggins & Son of Watford.** Firstly, I would like to offer my congratulations to both club mates Terry Haley and John Adams on their performances. Our 1<sup>st</sup> bird was a 2 year old home bred hen from a direct Freddy Vandenheede cock x a Crammond & Langstaff hen sitting 7 day eggs. She arrived home in fantastic condition a credit to the conveyers.

John Adams

7<sup>th</sup> Open Hen for Mr & Mrs Bryan Boggins & Son

On their first North Road race **1<sup>st</sup> Section J 8<sup>th</sup> Open Mr & Mrs Les Hawkins of Bishops Stortford.**

Holding my good dark chequer cock section J winner. "Mr Wicker" so named because he was bred for me by good friend Alan Wicker of Bolton, who flies as team Wicker and Wright with the House of Aarden. The sire of Mr Wicker was bred by the House of Aarden direct from Jelle man and Jelle baby who were both bred from the New Laureaat and Kleine Jade both winners of 1<sup>st</sup> Open International Barcelona. His dam is one of Alan's top stock birds the Machiel Buijk hen dam and granddam of many top birds.

My second timing provisional 4<sup>th</sup> section is my dark chequer hen her sire is my top stock cock the "54 " Kenny Hine x Eric Cannon his dam is a daughter of Culmer Bess NFC Certificate of Merit winner. He is the sire of six different pigeons to be in the top 200 from the Tarbes Grand National when paired to different hens bred by good friend Mark Bulled including Domino 28<sup>th</sup> and 34<sup>th</sup> NFC Tarbes and 1<sup>st</sup> Section BICC Poitiers and 1<sup>st</sup> Section and Open Greater Distance Single Bird NFC Tarbes.

Les Hawkins with grandchildren Meg, Connor and Jake

**1<sup>st</sup> Section G 9<sup>th</sup> Open Phil Weedon & Sons of Uckfield.** Here is a little bit about our game hen. She was over 4 hours in front of our 2<sup>nd</sup> pigeon home and at the time of writing this we've only got 2 out of the 10 we sent. Still, at least we know they are somewhere in the UK and will hopefully get back over the next couple of days.

We would like to congratulate Terry Haley and all the people who have timed in today.

Lottie's sister, as we've called her, is a half sister to the hen that was placed 2<sup>nd</sup> Open, 1<sup>st</sup> Section G in last year's Bordeaux race. She has the same Dam which was a gift from James Parker of JPS Lofts. The Sire is a Double Grandson of Marshall and Smith's great pigeon The Machine. This was purchased from JPS Lofts at Blackpool several years ago at which time we struck up a great friendship with James Parker and Ian Stafford. Lottie's Sister arrived pretty fresh after 5 and a quarter hours flying. She wasn't going to be sent as her 9<sup>th</sup> flight has been broken near its base. However, she was flying so well around home and was full of herself that we decided to take a chance with her and how lucky were we that we did.

Lottie's Sister – Phil Weedon & Sons

**1<sup>st</sup> Section A 10<sup>th</sup> Open Dave Fry from of Havant.** Firstly I would like to thank everyone at the BBC, especially Clare Norman and the Southampton Marking Station. Congratulations to Terry Haley and all other section winners/runner ups. I am absolutely delighted with my section winner, she is a beautiful Blue chequer yearling hen bred by my close friend Neville Spracklen of Dorchester, being a de Klak / Mark Gilbert cross, so a very big thanks Nev. The hen was lightly raced as a young bird and having only 2 outings this year, Leicester 120 miles and Worksop 169 miles, both times being just being behind the leaders. I felt the longer distance would suit her and she proved me right.

Dave Fry

Mark Bulled and Sharon

**2<sup>nd</sup> Section J Mark Bulled of Harlow.** I timed a 3 year old widow cock direct from “Legacy”. He scored at Bordeaux last year.

Well done to Terry Haley a great flyer North and South.

**1<sup>st</sup> Section C Pete Wood from Meriden.** It's been years since I have won and I now know I've been flying north road birds on the south! First time flying north I won the section.

She was sent sitting four days on her first round of eggs this year. I call her Houdini as she is always escaping to get to her mate. She is bred from a loan bird from Mark Collins.

Pete Wood

**2<sup>nd</sup> Section A Kevin & John Zerafa of Portsmouth.** Firstly can we congratulate the overall winner Terry Haley, not just a great fancier, he's a top bloke as well. Well done Terry, very much deserved mate! Can we also congratulate all of the section winners on what turned out a good steady race. Our first bird flew Hexham (290 miles) the week before with the BICC and came back in such condition we decided she would go back and be our pool bird. Her sire was bred by Darren Ede from a son of 'Harry' paired to a hen called 'Lady Mirakel' who had won some top NPO positions before Darren bought her. The dam of our first bird is a hen we bought from Joel Verschoot (Mr Armando) and is direct out of two of his National winners, namely 'Cees' 1<sup>st</sup> National Brive and 'Suzanne' 1<sup>st</sup> National Pau. Our second bird home at 11.55 was bred by Jimmy Wearn and Erik Neilson. We had a good race with 14 of our 16 entries home on the day, so congratulations also to the whole BBC team on looking after them so well. Excuse the photo, I was drunk as England had just won their European Championship opener against Croatia. Good luck to everyone for the rest of the season.

Kevin and John Zerafa

**2<sup>nd</sup> Section G Daniel & Kelsie Sallis (M Sallis & Son) of Brighton.** Firstly well done to the winners. She is bred from Mark Gilbert x Alwyn Hill stock she is a very consistent pigeon and the last 3 weeks she has been my first bird being 30<sup>th</sup> SCF 1,525 birds Truro then provisional 46<sup>th</sup> Open BICC Hexham and now provisional 2<sup>nd</sup> Section 18<sup>th</sup> Open.

I would like to say thanks to the BBC team for looking after the birds as she came back in great condition and also the team at Brighton marking station as without them it would be a nightmare drive to basket.

Kelsie Sallis

**2<sup>nd</sup> Section C David Woods of Nuneaton.** DK CM Cock, the sire a Jan Aarden gift bird from the successful lofts of Lol Turner of Coventry. The dam being from Dave's own blended distance family.

Congratulations to Pete Wood for topping the section and thanks to the marking team at the Penkrige Marking Station and the B.B.C Committee for enabling us to keep competing at the longer distance races.

David Woods

**1<sup>st</sup> Section B Lawrence and Marg Cowley of Dorchester.** Marg & Lawrence Cowley timed in one of Marg's roundabout hens, GB19N21547. The hen has always been handy in all her races. Her sire was bred by Paul Dolan, St. Helens from his Top Dog family, and nest mate to Marg's hen '86 who is mother to 2 Fed winners, and the Fed Gold ring winner who was also 38<sup>th</sup> Section, 38<sup>th</sup> Open in the BICC from Truro, 5345 birds. Her dam is from our best breeding pair of Denis Sapin birds – breeders of Fed, Club, Classic and National birds. We timed a second hen in approximately 3 minutes later which we believe will be 3<sup>rd</sup> section. She is bred from a pair from the late Tom Sherwood, another hen who is always in the mix. We had 7 out of 8 on the day.

Marg Cowley

**2<sup>nd</sup> Section B Mark and Julie Gower of Fordingbridge.** My first bird is a from Andy Parsons stock being a grand son of 2<sup>nd</sup> Open Tarbes NFC, 2<sup>nd</sup> Open Classic Pau & a Merit award winner from Tarbes. He has had 2 training races East, and 2 training races North after racing south in 2020, hopefully I will get him to Thurso!

My second pigeon is a Herman Cuester cross who as a yearling 11<sup>th</sup> & 16<sup>th</sup> Open NFC on the south.

He has had the same prep as the first bird. All birds only had 3 training tosses before racing but I stopped as they were hit by peregrines twice and just flown around home.

I must congratulate the winner Terry Haley and the convoying team as the birds arrived in excellent condition, my returns where 30 ex 35 on the day and 4 the next morning sadly 2 of these will not race again this year because of peregrine damage.

Julie Gower

**1<sup>st</sup> Section E Ricky McGraw, Kierren Clegg and Malcolm Preece of Stoke on Trent.** Our Section Winner is bred out of our Midlands Continental Classic Section Winner paired to my Federation Toppers lines. Multiple winners have come out of these birds, they are bred out of Billy Williams' pigeons from Leamore, Walsall. I'd like to say a massive thank you for such class birds he had being breeding me.

1<sup>st</sup> Section E McGraw, Clegg & Preece

**2<sup>nd</sup> Section E Martin Talent (Talent & Westbury) of Corwen.** I was very pleased to find out I was 2<sup>nd</sup> Section E, especially being the most westerly flyer in the section. First of all I would like to thank the conveyer and all involved with transportation and taking such good care of the birds. The birds come back in fantastic condition and whilst writing this email I have 16 out of 20 birds back. The bird that came for me was from my own family of distance pigeons which are Jan Aarden based. I'm really looking forward to progressing the birds further North with the BBC.

Martin Talent

## **Convoyers Report**

Thursday 10 June: Finished loading Southampton at 3.30pm. All birds had water in front of them. Drove straight to Ilkeston, met other transporter and transferred 30 crates. Gave birds a light feed and topped up water.

Friday 11 June: Up at 4.30am, topped up water and left for Newcastle at 5.45am. Got to Blaydon at 9am. Topped up water straightaway and gave a full feed at 10.30-11am. Topped up water every 3 hours, back doors left open all day. Phoned Roger Hurst (Race Advisor) at 6pm. He said we should look for a 6.30am lib.

Saturday 12 June: Up at 5am. Got transporter into position. Phoned Roger at 5.45am, told him it was nice and sunny and we agreed to lib at 6.15am. Birds left in 2 batches, heading South straightaway in a light WNW wind.

I'd like to say what a wonderful liberation site Blaydon is and thanks to Alan Todd (site agent) and all the Geordie boys who came out to watch the liberation so early in the morning. If you're looking for a lib site in the North East this is the place. 2 minutes off the A1M, great site for liberations and a Club House with facilities and food and drink if you have to overnight here and the people are so welcoming.
