

Hexham National 1st Open 1st Section E Mellonby, Knowles & Simpkin

For the trip to Hexham we had a very good entry of 2,916 pigeons, sent by the three Clubs:- BBC 134 members sending 1,547 birds, CSCFC 130 members 1,490 birds and BICC 93 members 1,078 birds. Taking out the duplications from one club to another it gave us the total of 2,916 birds on board.

This race was probably the most challenging the birds had to face so far this season with a breezy west south westerly blowing. It most certainly has set them up with plenty of time on the wing in preparation for the longer races to come. (*Race Advisor – Roger Hurst*) Birds liberated at 6.30am in to sunshine and light fluffy clouds and a fresh West South West breeze. They split in to 2 batches heading South East.

On route you have sunny intervals with moderate South West winds becoming West South West the further down country they go.

Thank you to all the marking stations for your continued service and hard work week after week, which without you we would not survive.

As race details are changing all the time, it is not always possible to include these changes in the BHW or RP in time for them to happen. If you could please keep an eye on “Latest News” on the website and try to inform any members who you know does not have access to the internet, thank you.

All positions being provisional.

Congratulations to our winning trio **Mellonby, Knowles & Simpkin of Bridlington 1st Open 1st Section E**. Kerry Mellonby, Colin Simpkin and Stewart Knowles of Bridlington had an absolute field day from Hexham probably taking the first 10 positions in the BBC on their first ever attempt. The winner a Yearling Romain Klein x Premier Stud Geerinkx hen flown on the round about system already a previous winner. Our team of 24 were switched straight from the south to north with no training, a dream start for the partnership.

Stewart knowles of Widnes does the breeding Kerry and Colin do the racing. We would like to thank all party's involved in making these races possible, a special thank you to Harry Jackson at the Carlton marking station.

Lofts of Mellonby, Knowles & Simpkin

2nd Open 1st Section J Nick Barran of Norwich. Firstly I would like to congratulate the winners, they've had a magical day. I run a small drainage company in Norwich, however, most of my work is in North Norfolk. I've been racing since 1980, both north and south throughout the years.

I clocked a yearling chequer cock after four hours and forty one minutes for the 209 mile flight from Hexham, two weeks previous he won Whitby at 146 miles. On return from Hexham, he was fresh as a daisy and all the birds returned in good condition, he was flown on the chaos system, he was bred by Team May, Darren tells me he's bred from the Geeloger and National Wonder blood of Vermerbergan Wilms, he's full brother to four separate Fed winners.

We had a good day in the Norwich area. We are all very impressed with club and look forward to sending in the Perth race in two weeks. I'd like to thank Clare the BBC secretary, very grateful for all your help. I'd also like to thank Andy Woods for his efforts in getting the birds to Hemel Hempstead for marking, also David Hicks for sorting the paper work side of things and last but not least, thanks Darren May.

Nick Barran

2nd Section J 3rd Open Tom Burkill of Mattishall. I would once again like to thank David for executing the plan to perfection, having the birds in super order, but moreover this last week because I was in Turkey all week with my family but had the pleasure of watching the pigeon drop on the cameras just before the plane took off.

The first pigeon, a red yearling hen GB21X04770 has never shown before this race but was a firm favourite who I knew just needed the right race because she is perfect in every way and her siblings over the years have been prolific for me so I was confident she would one day repay her corn bill. Both her parents were bred for me by James Dutton of J&G Dutton, the hen is a mix of James' super Alex Docx and Lambrecht families, thank you to James for supplying me with the best pigeons and advice. The sire to my hen is quickly turning into one of my best breeders, winners every year, he is a son of "552" one of Alex Docx base breeders, the dam is from GB15A05788 a son of the number 1 cock (Blauwe Witpen x 720 hen) when paired to Lady Quievrain one of Duttons best hens when he was paired to "The Class Hen" which is the mother to the "Coventry Cock".

The race and day was a lot harder than I expected and I have some good pigeons missing but I am very pleased with the performance and look forward to the Perth race in two weeks.

In the picture from left to right is myself holding the first pigeon from Hexham, my first son Archie who is really keen on the pigeons (his 15 month old brother will be the same no doubt) and David Hicks the loft manager.

Tom and Archie Burkill and David Hicks

4th Open David Hicks of Mattishall. Thanks again for the race put on by the BBC/BICC from Hexham. It was tough in the given wind but I'm pleased with the pigeon's performance. It turned into a good day with my loft partner Tom Burkill also getting a good one to pip me again. Also well done to fellow fanciers Nick Barran, Bob Frew and Andy Woods.

The pigeon I timed is a 2020 Linderlauf from Derek Parr. Flown on widowhood, always about but this is the first time it was at the front. Looking forward to Perth now.

David Hicks

Tony Webster of Wisbech 5th Open. My first bird yesterday was a home bred Lambrecht cock raced on double widowhood, his mum was also a good racer winning me 1st Section MNFC and 3rd Open MNFC and also winning the Fed. The sire to bird is a dark Lambrecht cock I own, he was raced by Mick Haslam Manchester and won 6 x 1st Clubs 2 x 1st Section. It was my first race with BBC and BICC and it was much tougher than normal federation racing by Miles.

I would like to thank PJ Lofts as well for all the Gem Supplements they sponsor me and help me as much as possible.

Tony Webster

6th Open Andy Woods (Woods & Batch Loft 2) of Norwich. This was a two year old hen which came in first for me on Saturday, she is a Heremans Ceusters x Van den Bulck. This race turned out harder than we expected.

Andy Woods

Graham and Michael Britton (G V & W Britton) of Peterborough 7th Open. It gives us great pleasure in winning our first ever 1st Section in the BBC in our 3rd race with the Club. After an interesting start with the Young Birds last year (over 6 hours) for our first bird to fly Wakefield (87miles) it gave us great enjoyment to see our 2 year old Blue Chequer Cock GB20X0701 had pulled out of the main batch of pigeons this time and head over from the A1 just where we thought we needed to see a pigeon come from. Unfortunately after putting in such a sterling effort he hit the loft roof & gave us our worst trap of the year deciding that he needed a long rest before entering the loft! Thankfully even if he had gone straight in we wouldn't have beaten the Open Winner at Bridlington. Our winning pigeon is from the last son that we have of our NRCC Thurso Open winner (please see image attached) crossed with an Eric Ceuleman sprint pigeon that was a top performer for Tony Woolsley before he packed up racing. As is the case with all our pigeons as a Young Bird he had just one race to see what a transporter looked like & last year had one race as a yearling. This year he has been to NRCC Dunbar & Perth & it is hoped as long as he recovers from his efforts at Hexham will head back to Perth with the BBC in 2 weeks time. Please find a picture of him sitting deep on his nest.....he hasn't left it since he came home.....not even allowing his Hen to sit (shame he wasn't as keen to come into the loft on return ha ha). With the exception of a small blue chequer Jellema Hen that came first thing on Sunday morning we had all of our small Team of nine pigeons home on the day & would like to pass on our thanks firstly to the Convoyer for looking after the birds so well, secondly to Dudley Holmes for taking our birds to the Marking Station & thirdly to Clare Norman the BBC Secretary who the BBC are very fortunate to have.

Graham and Michael Britton

1st Section D

Grandmother to 1st Section D

8th Open Bob Frew of Norwich. My blue hen is bred from Micky Betts stock, a consistent racer and prize winner, she was 5th Section NRCC Dunbar 3 weeks ago.

Bob Frew

2nd Section D 9th Open Gary Wood of Ruislip. My second section winner is a yearling chequer hen. The mother is Che x Wardrum a Hereman Cuester and father is Hereman Cuester from Wall, Lunt and Green.

Gary Wood hen

1st Section G Bill young of Byfleet. First of all I would like to congratulate the winner and say well done. A bit about my pigeon that won section G. This pigeon a blue Cheuquer White flight Cock from the Jan Aarden strain bred for me by my good friend Ron Gammage from his stock loft. I call this pigeon Scar as it was hawked as a youngster but managed to repair the wound that has left a scar down its chest. This has been a very reliable pigeon, flying all distances out to 500 miles. I would like to thank Clare and her amazing marking team who are very efficient. I would also like to thank the BBC committee for getting us a new challenge in North Road Racing without the hassle. I hope this can continue. I would also like to thank the ladies in the kitchen for providing a great all day breakfast at a reasonable price. The Southampton marking station is a very well organised and efficient marking station.

Bill Young

2nd Section E Mr & Mrs Paul Woolliss of Grimsby. Our timer was a small blue hen from our 815 mile National winning Family, lines of Lona x Frenken Bros Turbo 106.
 Her last race was Eastbourne on the south no north road training just switched. Last year she was 11th Section Elgin 312 mls, 8th Section Lerwick 460 mls. She was full of beans on return doing several laps. We had 9 out of 11 on the day.

Paul Woolliss and Granddaughter Isla

1st Section A Jimmy Wearn & Erik Neilson of Ramsdean. Our first bird is bred from a son of Champion Evie John & Dave Staddon x Granddaughter of New Laureaat. We had a good race with 80% of the birds home on the night. Well done to Lloyd and Bryce on a fantastic pigeon.

Jimmy & Erik's chequer cock

Kevin & John Zerafa

2nd Section A Kevin & John Zerafa of Portsmouth. Congratulations to fellow club mates Bryce & Lloyd Scutt on winning the Classic and also good friends Jimmy & Erik on winning the section in the BBC. Also congratulations to Darren Ede on another consistent performance and all of the other winners.

Our first bird must have the heart of a lioness. She's managed to achieve provisional 6th Open in the CSCFC & 2nd Section 18th Open in the BBC Hexham race being one of the furthest flying birds in a strong SW wind and having come back after having hit a wire, with mud all over her feet! She was 2nd Section 8th Open last year in the really tough Elgin race when a lot of lofts struggled to time in, so she's definitely a warrior!

Her sire is a son of Mark Gilbert's 'Southfield Melissa' who won 1st International Agen. Her dam was bred by Joost De Smeyter and is a daughter of 'Nico' who was 1st National Ace Pigeon Extreme Long Distance KBDB in 2014. We had entered 34 and at the time of writing this report have 30 home with 4 still to come, which we are massively pleased with given how difficult the race turned out. Now it's time to prepare the birds for the upcoming channel races and then onto Pau. Until next time, Team Zerafa.

Graham Wright (F C Wright & Son) of Estbourne 2nd Section G. With a velocity on 1058 ypm flying over 305 miles. Graham would like to congratulate the winners and section winners on a very hard day. Our first bird is a two year old white grizzle hen flown on the roundabout system and has flown in every race this season. She is bred from a son of Snow Prince 1st Section 4th Open Tarbes 548miles when paired to a grand daughter of Pau Princess 1st Section 2nd Open 2nd International Pau 542 miles. We had very good returns getting 8 out of 10 on the day arriving in very good condition and would like to thank our very good friend Darren Mc Fadden for supplying us with his National winning family of pigeons.

Graham Wright

Mel and Sue King

Mel & Sue King of Blandford Forum 1st Section B. Congratulations to the winners and all section winners. Our section winner was once again from our Vandabeele family. A two year old hen raced on our own celibate to roundabout system as the season progresses. The sire was bred by Joe Raeburn out of his great "Sir Alex" when he was paired to a daughter of our 1st Open National Falaise B.I.C.C winner. The section winners dam is a daughter of "De Chateauroux" 1st National Chateauroux K.B.D.B x Daughter Antonio 1st National Souillac of Rudi-De Saer. Special thanks to all the hardworking organisers and helpers that keep us racing during these complicated times.

2nd Section B Nick & Christine Smith of Salisbury. First I would like to congratulate the winners, Mellonby Knowles & Simpkin / B & L Scutt. Also Mel and Sue King for topping the section and Chris Bartlett for 3rd Section. My blue cock, flown on widowhood, is full of my old Fred Bloor lines, the dam being direct from Fred and the sire is a son from my 5th Open Tarbes Classic hen.

Nick Smith

1st & 2nd Section Frank Quinn of Devizes. First I would like to thank Clare and all the marking teams for the grand job you all do, also the convoyer, the birds came back in great condition. The race was a tough old job and at this time Sunday lunch I have only 4 out of 6 back. Onto my birds I had two nearly together but the red cock pranced about on the trap and Dirty Dora hit the trap and in first. These are my top birds having scored before on the north and south roads Dirty Dora the hen has been paired to me since a baby always a tryer. She has been 230th Open Pau NFC, 52nd Open Classic Pau, 34th Open Classic Thurso, 45th Open BBC Thurso and now prov 1st Section 41st Open BBC Hexham and prov 38th Open Classic. The red cock has scored north and south his best last year 31st Open BBC Berwick and 24th Open Classic Berwick and now could be prov 2nd Section Hexham. The next race for these birds will be the NFC Pau if all goes well. I wish all the winners best wishes for the future.

Frank Quinn

Runner Up in Section C Anner Smith of Wotton Under Edge. Firstly congratulations to the winner and all section winners. The bird timed has been bred down from gift birds from Janet and Ken Wilcox (thank you to them both). With the wind as it was a tough day for all. The system used is based on the chaos, but I'm the one on chaos, the birds not so much. By close on Saturday night I had 19 from 22 birds sent.

Anner Smith

Convoyers Report

Thursday 9 June 2022

Finished loading Sarisbury Green (Southampton) 4.15pm. Got to Shephed Truckstop (Junction 23 M1) at 8pm. Filled up drinkers and gave all birds a light feed. Lights left on in the back of the transporter until 10pm.

Friday 10 June 2022

Up at 5am. Topped up drinkers and refilled all water tanks on both trucks. At 6.15am emptied drinkers and left Truckstop at 6.30am. Stopped at Weatherby Services to meet two BICC members who put 10 crates of birds on our convoy. Got to Hexham Lib site 11.30am. Filled up drinkers and gave birds a full feed from 12 noon. Drinkers topped up regularly all day. Phoned Roger (Race Advisor) at 5.30pm to talk about tomorrow's lib. We both agreed that it was looking good for an early liberation. I told him we would be up at 5am to get things ready and that I would phone him at 6.15am.

Saturday 11 June 2022

Up at 5am. Topped up waters. Got transporter ready for a 6.30am liberation. Phoned Roger at 6.15am and he said all clear to lib when we are ready.

Birds Liberated at 6.30am into broken blue skies and a moderate WSW wind. Birds cleared in two batches straight away heading South East. Out of sight in under a minute.

Steve

A personal note from Pat to Steve:- Thank you for all your help over the time you've been working together.
