

**St Philbert OB2 National**  
**1<sup>st</sup> Open 1<sup>st</sup> Section J**  
**John & Theresa Gladwin & Jarvis of Leigh On Sea**

This weekend saw a first in pigeon racing The UK Masters Race. The BBC, BICC, CSCFC & NFC for the first time in their history held a combined race from St Philbert Du Peuple on Saturday 2<sup>nd</sup> July. All organisation's will be publishing their own separate race result but to make it more exciting a UK Masters result will be published too. On board the 3 transporters which made their way to St Philbert was 5,475 birds. This race allowed members to cross nominate from one club to another which meant potentially they could be entered in four races within the four Clubs. The BBC entry was 1,297 birds from 92 members (1249 birds duplicated from the NFC & BICC).

I have been asked by many people to say a big thank you to everyone involved at the marking stations for the non stop work you all did putting the birds through, also the many fanciers who brought up van load of birds to the different marking stations. Without you all I don't know where we would be, but you are a credit to the pigeon world. We thank you.

*Liberation:* The NFC, BICC, CSCFC & BBC convoy was liberated at 07:30. The birds cleared the site immediately in a northerly direction under blue skies. Weather on route almost clear blue skies all the way to the channel. The channel is clear and visibility 11 miles plus. Weather over England shows a weak weather front moving across the country from west to east carrying some light patchy rain which is fizzling out as it does so. Winds mainly light S/W over the complete flight path.

Steve Appleby.

Congratulations to **John & Theresa Gladwin & Jarvis of Leigh On Sea** winning **1<sup>st</sup> Open 1<sup>st</sup> Section J**. firstly I would like to say a very big thank you to yourself and everyone else that has worked so hard to get channel racing back on. I am sure I speak for everyone who sent when I say a heart felt thank you to everyone.

My first pigeon is a yearling Frans Zwols cock he is bred from two pigeons I bred for stock in 2019. The sire is a son of the super D'artagain. D'Artagain is now sire, G.sire of many big winners including 3x1<sup>st</sup> open NFC, 1<sup>st</sup> open BICC and now 1<sup>st</sup> open BBC which must make him a pretty unique breeder to be G.sire to national winners in all 3 major U.K national clubs. In total he is responsible for 10x1<sup>st</sup> National, Combine, Amal winners including 2 at over 500 miles. and 1<sup>st</sup> 19,476 birds in Holland. The dam of our winner was bred in late 2019 after we won the BICC Agen race with Tip Top Tora, I decided to put her parents back together and have a pair of late bred from them. The dam is one of these and was not paired until 2021 breeding our winner in her first year.

Our winner is now called Sophie Boy after my youngest daughter.

well done to everyone who sent and got pigeons, I hope everyone felt as I did with a real buzz just getting ready and waiting for the lib and then waiting for the birds to arrive.

**2<sup>nd</sup> Open 2<sup>nd</sup> Section J Dave & Gary Heywood of Basildon.** Firstly I would like to thank everyone who made channel racing available to us again.

The hen we got has been a really good hen for us this year, she has been to Guernsey 4 times and scored in the open and section each time.

She is a great granddaughter off Harry and Tip Top Junior her father is a grandson off Harry and her dam is a granddaughter off Tip Top Junior.

Gary & Dave Heywood

**1<sup>st</sup> Section D 3<sup>rd</sup> Open Pete Wells of Dunstable.** My pigeon was bred by Simon Schofield of Leeds and has flew well for me this season with other positions including 8<sup>th</sup> Club, 17<sup>th</sup> Fed and 43<sup>rd</sup> Combine only beaten by 4 loft mates. Even though Simon bred this pigeon the sire was bred by Kevin Rooney of Northern Ireland and the dam was bred by John Wheatcroft.

Pete Wells

**2<sup>nd</sup> Section D 4<sup>th</sup> Open Mick & Tracy Carrick of Chesham.** My first bird yesterday is the same cock that was 14<sup>th</sup> Open at the first Guernsey. He was sent sitting 10 day eggs. He is bred from Georgie Boy my old Bordeaux National winner. On the hens side it contains all the best of Syndicate Lofts Wardrum x Jean Genie and Mario x Sunday Girl. She was bred by Jim Whitehead RIP.

I would like to congratulate all the Open and Section winners yesterday especially Pete Wells, well in to his 80's and still flying a good pigeon.

Mick & Tracy Carrick Cock bird

**1<sup>st</sup> Section A 5<sup>th</sup> Open Darren Ede & Family of Southampton.** My small but dynamite team of Harry hens have not let me down again, carrying on from 4<sup>th</sup>, 5<sup>th</sup> & 6<sup>th</sup> Open Wakefield, 3<sup>rd</sup>, 11<sup>th</sup> & 19<sup>th</sup> Open Hexham, 3<sup>rd</sup>, 12<sup>th</sup>, 13<sup>th</sup>, 14<sup>th</sup>, 17<sup>th</sup> & 19<sup>th</sup> Open Perth, they got switched south for the first time in 2 years & they were there again, proving, well bred, healthy, motivated pigeons will come from any direction in any wind if they want to get home enough & have been prepared correctly to do so.

This weeks 1<sup>st</sup> Section 5<sup>th</sup> Open BBC winner has also won this weekend 1<sup>st</sup> SE Section, 1<sup>st</sup> Open CSCFC & 1<sup>st</sup> Section B 9<sup>th</sup> Open NFC and is again from my super breeder "Forever Grateful". This son of Harry has now bred 4x 1<sup>st</sup> Section & 2x 2<sup>nd</sup> Section plus a whole host of other top positions in top competition, all with different hens. The hen that bred this winner was a direct daughter of "License to Thrill" the super welsh champion racer/breeder that was raced by my good friend Rob Pugh of The Rhonda Valley.

As some of you know this is my last season in the sport, Thurso/Poitiers on July the 16th are the final 2 races of my career, after some serious issues in my personal life I unfortunately will be leaving this wonderful sport of ours we all love dearly, all birds to be auctioned by Les Green & John Crehan more details to follow after the season, but first there's Thurso & Poitiers to focus on, good luck all, for everyone who's called & text thank you it's much appreciated, yours in Sport, Team Ede.

John Cowlin

**6<sup>th</sup> Open John Cowlin of Hockley.** John's first pigeon is a Formula 1 Lofts Frans Zwols. She previously has won 3<sup>rd</sup>, 9<sup>th</sup> and 13<sup>th</sup> Open Thames. 2<sup>nd</sup> and 4<sup>th</sup> section BBC, 27<sup>th</sup> Open BICC, 49<sup>th</sup> open NFC and now this result. She is bred from the stock loft from the lines of Tip Top Junior, Queen of Rekkem and D'Artagian.

**7<sup>th</sup> Open Paul & Esther Kenny & Family of Wantage.** We would like to start by congratulating Darren and Family on winning the race. We would also like to say a huge thank you and well done to all marking teams at all the marking stations. Our section winner is becoming a very smart performer for us. She has previously been 1<sup>st</sup> section, 3<sup>rd</sup> open NFC Guernsey 4367 birds and 18<sup>th</sup> open BBC Guernsey. She looks like being 2<sup>nd</sup> section provisionally 14<sup>th</sup> open NFC, 3<sup>rd</sup> section, 7<sup>th</sup> open BBC and 5<sup>th</sup> section, 24<sup>th</sup> open BICC St Philbert 296 miles. She was bred by Brian Mawdsley from Southport. Her Sire has been a really good bird for Brain Winning the fed and has been 2<sup>nd</sup> West LANCS Affiliation Cheltenham 2343 birds. Our birds are fed Versele-laga Superstar and Bayers Koopman All Round. As well as this Brad Cowoods Oasis and Vita pro are used regularly. Birds are also trained weekly down the coast.

Paul, Esther & Eamonn Kenny

**8<sup>th</sup> Open Roger Lowe of Reading.** My first bird is a two year old roundabout cock he was to be my main pool bird but I changed my mind at the last minute (you know what there say never change your mind). He has performed well this season in the previous NFC national races being 27<sup>th</sup> Section 73<sup>rd</sup> Open 6599 birds first Guernsey and 3<sup>rd</sup> Section 10<sup>th</sup> Open 3627 birds last Guernsey race. He is 100% Jan Hooymans Harry blood, sire is Fabulous Beauty bred by myself from a son of Beauty Harry when paired to a double granddaughter of Harry. The dam was bred by Nigel Langstaff from a son of Harry x Harriet. Sending 29 birds and having 24 on the day eleven home within 25 minutes so it turned out to be a very good race for me

I would just like to thank all the markers and helpers at the Stevenson marking station on a fine job and to Clare Norman for all the hard work she has done running most of the races.

Roger Lowe

**1<sup>st</sup> Section G 9<sup>th</sup> Open Darren, Sarah & Josh May of West Ashling.** Firstly we would like to say congratulations to all of the winners and a big thank you to the convoyers with the birds returning in great condition on what turned out a tough day.

Our first bird is bred by our partnership loft of Yves De Wit in Belgium. She was raced on roundabout widowhood and had been given only 1 x 100 mile race this season prior to this race. She has also previously won 1<sup>st</sup> Federation for us. In this race across the different organisations she has provisionally won 2<sup>nd</sup> Section, 4<sup>th</sup> Open CSCFC 872 birds, 1<sup>st</sup> Section, 9<sup>th</sup> Open BBC National 1297 birds, 1<sup>st</sup> Section, 16<sup>th</sup> Open NFC National 3355 birds, 8<sup>th</sup> Section, 28<sup>th</sup> Open BICC National 2046 birds.

John, Darren & John May

Kevin Foster

**2<sup>nd</sup> Section G 10<sup>th</sup> Open Kevin Foster of Longfield Hill.** My first pigeon 40432 is a three year old hen that like most of the team sent out were in prep for NFC Tarbes so I suppose while not being suited to the faster race she was telling me she was well.

Her sire is a son of 1<sup>st</sup> International Barcelona Ace Pigeon 2009/10 two of the hardest ever races 17<sup>th</sup> and 45<sup>th</sup> International when paired to a daughter of New Laureaat 1<sup>st</sup> Int Barcelona and Kleine Jade also 1<sup>st</sup> Int Barcelona. Her dam is a granddaughter of starlight x Melissa 1<sup>st</sup> International Agen. 40432 is also a granddaughter of the cock that bred my 1<sup>st</sup> National Le Mans.

**2<sup>nd</sup> & 3<sup>rd</sup> Section A Dave & Lisa Waterhouse of Bedhampton.** Firstly can we congratulate all the winners from today's races. My first two birds are from my sprint team. The first cock was from my son of Sagan, he's been very consistent only being a yearling and first time across to France. My second bird is from the CWL birds, from the son of Eurovision x Countance Hen also first time across to France.

My birds are on roundabout and fed on Vanrobaeys IC super star +.

Please can I say a special thank you to all the team for a great team work at the marking station and it was nice to see all old and new friends having a chat and some banter, well done again and looking forward to the next one.

**1<sup>st</sup> Section B Mel & Sue King of Blandford Forum.** Congratulations to the winners and all the other section winners.

Our first bird is a 2 year old widowhood cock of Vandenabeele origin. Bred from the race team both the sire & dam are 1<sup>st</sup> Federation winners and he is line bred back to our original M & D Gaby's that we have been cultivating for 23 years. He has previously won 1<sup>st</sup> Section 3<sup>rd</sup> Open N.F.C Guernsey 2 this year.

Thanks go to all involved in putting this race on especially all the hard workers at the marking stations.

Dave Waterhouse

Mel and Sue King

**1<sup>st</sup> & 2<sup>nd</sup> Section C Frank Quinn of Devizes.** First congratulations to all the workers for this race, it was some effort, now also all the winners.

My pair are hens that I allowed to pair to other hens for this race and I slipped a young bird under them just before basketing. My first bird I call Bobbie's Girl because I said he could have it after this race as she is the only middle distance one in the loft bred by David Parker of Clitheroe, Lancs when I wanted a bit of fun. She has won many top prizes, her last being 28<sup>th</sup> Open NFC two weeks ago. The same for the mealy, won many prizes all Andy Parsons lines that are serving me, so well over the years one for the future.

That's all for now, roll on Pau and best wishes to you all have fun and enjoy the sport.

Frank Quinn

**1<sup>st</sup> Section E Chambers Family of Cannock.** Our first arrival from the St Philbert National is a yearling hen now called Heart Breaker owing to the fact that when she arrived she lost so much time at the loft that I was certain she had ruined her chance of topping the section, fortunately despite the time wasted she still managed to hold on and take 1<sup>st</sup> Section E BBC, 1<sup>st</sup> NW section BICC and 1<sup>st</sup> Section J NFC. She is bred through our very successful Lambrecht family with her sire being a full brother Blue Lightning 10<sup>th</sup>, 15<sup>th</sup>, 34<sup>th</sup> & 44<sup>th</sup> Open National up to 9,679b, also full brother to Big Girl winner of 7<sup>th</sup> Open MNFC Vire 6,344b and also half brother to Coutances Queen our 1<sup>st</sup> Section 1<sup>st</sup> Open BBC Coutances winner from 2020. Heart Breakers Dam is also a Lambrecht being bred by from Brian Dearn. We have had a fantastic weekends racing this week topping the three national sections from St Philberts and also clocking 3/4 from the Agen International flying 623 miles and taking positions 1,2,3 in the section and 9<sup>th</sup> Open in the National.

This weekend has been the stuff of dreams for me and my family and I would like to thank all organisations and individuals involved for their forward thinking, hard work and dedication in resuming racing from France. All our birds arrived in tremendous condition and they were a real credit to the organisations who transported them.

Chambers Family

**2<sup>nd</sup> Section B Mark & Julie Gower of Fordingbridge.** Well done to Darren Ede who is flying an exceptional pigeon at the moment and all the section winners.

My pigeon is a 3 year old cock bred from a son of Premier Stud's Mano-O-Chester when paired to a hen bred by GWP Macaloney from Camelot x Blue Caviar.

My bird has been a steady performer and always looks fresh when returning and was previously 5<sup>th</sup> Section NFC Guernsey 2 weeks ago.

It wasn't an easy race for flyers on the westerly side this time with most birds coming out of the north east. I ended up with 13 ex 20.

Well done to all of the people that got the birds to the race especially with all the paperwork involved.

Mark Gower

**2<sup>nd</sup> Section E Dean Jones of Boston.** The pigeon is a 4 year old cock 3/4 Padfield's 1/4 Jelle Jellema cross. Being an inbred grandson of Padfield's Invincible cross Jelle baby daughter of New Laureaat cross Kleine Jade both 1<sup>st</sup> Barcelona International winners. The cock had several inland races with the Peterborough fed down the Weymouth and one Guernsey with the National Flying Club where he got badly hawked. This was his first race back and hopefully he will now go to Pau in 3 weeks with the NFC/BBC.

Dean Jones Cock bird

Next up in **Section C Stuart Wilcox of Bristol.** Our first bird from St Philbert who was cross entered in all of the clubs competing in the UK Masters race was a 2019 Dutch rung widowhood cock called "Buck Rogers". This cock bird is bred by famous Dutch fanciers Martijn and Buck De Kruijff and he has been an outstanding pigeon being the

winner of 1<sup>st</sup> Club 1<sup>st</sup> Fed Truro 1820b, 3<sup>rd</sup> Open NFC Sennon Cove (2) 3575b, 5<sup>th</sup> Open NFC Sennon Cove (1) 5479b. He was gifted to me by Martijn and Buck, and along with a number of stock pigeons we have from them they have been very successful. Buck Rogers is bred from Stevie Wonder Jnr winner of 3<sup>rd</sup> Arras 1350b, 3<sup>rd</sup> Roye 694b, 4<sup>th</sup> Peronne 1477b, 7<sup>th</sup> Bourges 922b etc from S Smits bred from a full brother to 1<sup>st</sup> National La Soutteriane 21,271b and a sister to the dam of Faberge 1<sup>st</sup> National Chateauroux 45589b. His mother is NL17/004 from a direct son of Pitbull 777 of Kerel Leanens and Litchje, sister Olympic Bolt when paired to "127" from Leo Heremans dam of 1<sup>st</sup> Pom 5296b, 1<sup>st</sup> Duffel 427b, 2<sup>nd</sup> Asse 1443b, 2<sup>nd</sup> Pom 569b, etc, a dtr of "Blauwe As" 1<sup>st</sup> Asduif Hafo and De 802, dam of 5 x 1<sup>st</sup>. He is flown on traditional widowhood and fed on Beyers and Country Wide corns.
