Guernsey Young Birds & AA Old Bird National

Young Bird Winners Chris Neve & Dtr of Shoreham by the Sea AA Old Bird Winners Lance & Graham Gunn of Southwick

Another racing season is now over with our final Young Bird / Any Age Old Bird race from Guernsey. On board we had Approximately 1,570 birds. Our grateful thanks to our friends in Guernsey who looked after Pat this weekend, especially Glen and Nigel, you are true gentleman.

To all the marking station I/C's, markers and helpers, thank you for all your hard work week after week. We honestly appreciate everything you do for the Club and our members and finally thank you to our Convoyer's who have done a wonderful job looking after the birds.

Weather/Race Advisors: The BBC convoy was liberated at 07:30 under clear blue skies in a fresh W/S/W wind. The convoy cleared the Island and immediately headed towards the channel. Winds over the channel are 15 to 20 mph from the W/S/W but decreasing in speed over the English mainland. Visibility is as far as the eye can see. Some showery activity is forecast to affect all regions today. Good luck Mark & Steve.

Thank you to all our members who have supported us this year, we wish you good health until next season.

Many Congratulations to our YB & OB Winners Chris Neve & Daughter and Lance & Graham Gunn.

1st Open 1st Section G Chris Neve & Dtr of Shoreham by the Sea. Chris has raced pigeons since the 1960's in Brighton District Club as a lad and then re-started racing in the 1980's in the Shoreham South Road club, when his daughter Carole brought home some racing pigeons. His success has been achieved with the great help and training from Tony Dumbrell. This Blue WF hen is a great grand daughter bred down from James Parker's original Lambrecht stock and has also taken 6th position in the South Coast Fed from Yeovil.

Chris Neve with Tony Gumbrell, Daughter Carole and Grandson Reece

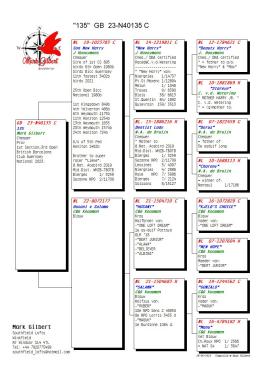

2nd Open 2nd Section G Peter & Leon McMahon of Brighton. First of all Peter and I would like to congratulate Chris Neve on winning 1st BBC Guernsey and all other prize winners this weekend. My first pigeon clocked was a chequer hen bred by a good friend Russell Skinner of Boston she is bred from a daughter off his best cock Rheedeem when paired to Goud Bet ie a g/dtr off Jellema's Zwart Goud. The dam is also full sister to 5th open NRCC Kings Cup Lerwick this year and herself was in top 50 same race. The sire is a full brother to his best hen Maggie a muti National winner who same lines bred 1st BBC YB Nat 2021 and also scored in both NRCC and BICC races. My 2nd pigeon which was 3 seconds behind is a blue pied hen bred from a Herman Beverdam Geerinckx x Gaston x Foxy Lady lines from Syndicate lofts which parents have bred good birds to score in BBC BICC and national races including a half brother to win 48 open Bordeaux this year.

Leon McMahon with 1st and 2nd arrivals

Mark Gilbert

1st Section D 3rd Open Mark Gilbert of Windsor. Extremely happy how the team performed today from the British Barcelona Club Guernsey Young bird and Any Age Nationals. We had 16 birds on the clock in less than a minute and approx 85 home from 120 sent in about half an hour. The group that dropped together were a mixture of old hens and youngsters so we clocked in both races at the same time to prov win 1st Section 3rd Open Young birds and 1st Section 4th Open old birds. This was the team's second Guernsey in two weeks and will go back to the National Flying Club Youngbird National next week.

Well done to all the winners today.

1st Section J Lee Bastone of Burnham on Sea. Firstly I'd like to congratulate all of the winners, secondly thanks to all the lads at Bovingdon marking station for making us so welcome.

I had 6 Pigeons drop together, first one being from Proper Rik of Peter Fox Syndicate Lofts.

Lee Bastone

Ron and Tracy Gunn

5th Open Tracy & Jordan Gunn of Brighton. See Old Bird Report. The young bird we timed was a bird gifted from D Sallis.

It is called Bent Keel as its Keel is bent.

We would like to congratulate L&G Gunn on winning the AA race, that is Son and Grandson of Ron, who is with son Tracy.

And thank the BBC for the hard work they do.

6th Open 2nd Section J Freddie Hadley & Family of Leigh on Sea. Firstly I would like to say a big thank you for the markers at Bovingdon marking station and also a big well done to all the winners.

My first young bird was bred by the partnership of Topp & Man of Rayleigh containing lines from their Gaby Vandeabeele stock. This hen was one of 2 purchased in the Dom Bacon charity Auction organised by Thames secretary Rachel Bacon this year. She had previously flown 3 inland races with the Thames then BICC Guernsey the week before and sent to the BBC sitting 12 day eggs. We had 2 young birds together with a yearling hen and our other young bird was bred by good friend Lewis & Angie Milne & Family from Doncaster.

We had a very good race with 100 % returns and they returned in excellent condition so many thanks to the convoying team and all involved in making this a successful race.

Freddie with Heath Archibald

7th & 8th Open Tommy Sparks & Pauline Dallas of Gravesend. We had four young birds drop together from Guernsey. The first one, GB23A84648 had the bloodlines from Brandon Webb of Wales pigeons which originated from Norman Sibley. The second one WHU23E01837 was a direct pigeon from Brandon Webb which also had Norman Sibley Ceulemans blood.

Third bird GB23V77181 was bred by Andrew and John Popley, which is a Van den Buick. Fourth bird was a home bred Frans Zwols.

Our old bird GB20R29132 is a very good racing hen scoring well in the BICC. She is a him bred Frans Zwols. Finally we would like to congratulate all the winners in both races.

Pauline Dallas & Tommy Sparks

1st Section A 9th Open John & Matt Drain of Hayling Island. Our first Bird was a Janssen based pigeon this came straight of the channel all on his own. He's been raced north twice and west once or twice he went to Guernsey the week before. My Dad gave him and few others a nest box a couple of weeks ago and he didn't mess about getting back to it

Second Bird was a Frans Zwols pigeon.

Thanks to all the BBC team we had really good returns and all came back in good condition.

Well done to the other winners.

John, Matt & Maisy Drain

2nd Section D 10th Open Roger Lowe of Reading. My first young bird was one of my last choices, it was sitting on its first nest and was the only one which wasn't a pied that I sent. I didn't expect them so soon so I missed her arrival.

Her sire is Fast Red winner of 1st BBC National and is a son of Fast As Lightning also a winner of 1st BBC National by 25 minutes. The dam is The One winner of 1st Central Southern Classic, she is bred from the Main Man winner of 2nd and 3rd Open Saintes NFC National when paired with Lucky Supreme daughter of mark Gilbert's Southfield Supreme.

Getting 21of the 22 I sent on their second race it turned out to be a very good race. Well done to all the winners.

Roger Lowe & Di Abery

2nd Section A Jimmy Wearn & Erik Neilson of Ramsdean. Our first bird is a Stefaan Lambrecht bred by James & Peter Parker. This was her second race of the season.

John Gerard, Danny, Hazel & George Lanahan

1st Section B Danny Lanahan & John Gerard Loft 2 of Poole. Our first pigeon was bred by our friend Sven Zimmermann of Germany. He has a lot of Josef blood, Josef raced super in Germany 7 x 1st Combine sire g/sire to so many champions all over the world. Plus Thomas 6 g/son from Josef 1st Algarve golden race now owed by our friend Mike Ganus USA.

Lanahan & Gerard have the best of this blood the future looks good! Thank you Sven, John & Danny.

2nd, 3rd & 4th Section J Mark & Julie Gower of Fordingbridge. Congratulations to all the winners.

I had 3 birds together and first over the pads was a hen bred in the purple from a son of Bob-De-Batt when paired with a daughter of Iceman both birds bred by Mark Evans from his Vandenabeele family.

She had been prepared for this race 3 races from the West Country with the Wilts Fed and then a couple of 16 mile tosses in the week.

All my young birds were originally on the darkness system and are now left to do what they want and are not separated just leaving a nest bowl here and there for them to play with.

I had 8 from my 10 entries in 2 1/2 hours but have not seen the other two yet.

Well done to John & Danny for 1st Section B a good bird in the wind today.

1st Section C Martin Williams of Hereford. Firstly congratulations to the race winners C Neve & Dtr.

My section winner is a Blue White Flight cock on the darkness, flying to the perch. He is my old family x Sablon. His grandmother is "The Wonder Hen", probably one of the best performance birds of 2016. Racing in the NFC, she won 1st Section 11th Open Ancenis, 7th Section, 58th Open Messac and 19th Section, 141st Open Fougeres, racing against 5-8,000 birds.

I had a second bird, 21 minutes later, probably taking 2nd Section. Returns were good, having 7 out of 8 by nightfall. It was nice to see three drop together after 5 1/4 hours.

Mark Gower Martin Williams

2nd Section C Graham Clift & George Harding of Tirley. Bred by Jeremy Davies (The RPRA the one loft manager) out of his off his top Tarbes hen from a sister to 1st International of Geoff & Catherine Cooper paired to a grandson of Euro Diamond & Southfield Supreme.

It was always going to be a difficult race on the western side given the wind direction we finished up with three birds from eight on the day the second pigeon being a nest mate to the first.

We were a little apprehensive about sending, as the yb's had only two short races prior to Guernsey at 60 & 70 miles so a big jump to 170 miles given their experience to date.

Graham Clift & George Harding.

ANY AGE OLD BIRD REPORT

1st Open 1st Section G Lance & Graham Gunn of Southwick. As a partnership consisting of 3 Gunn generations we are delighted to win the last old bird race from Guernsey.

Our winner is a blue 2019 cock bred by ourselves - Lance and Graham Gunn. The Dam is Leo Hermans and the Sire De-Klack X Vanloon.

We would like to thank the British Barcelona Club and Conveyors and congratulate the young bird winner Chris Neves and Daughter and also a congratulations to Grandad-Ronney Gunn and Tracey Gunn on coming second to us on the old bird race.

Graham, Lance & Jax Gunn

2nd Open 2nd Section G Tracy, Jordan & Grandad Ronny Gunn of Brighton. Our bird a Blue Bar Hen called Foxy Lady, she is called this, as she was the only bird left alive after a Fox got into our loft, and killed the rest of the birds.

The sire is from Brian Shipley and the Dam from M & D Evans a Jan Houeman.

They would like to thank the friends, who gave them some young birds to race this year and also Pete Gretton for the training.

We were also 5th Open 3rd Section young birds with a bird gifted from D Sallis. It is called Bent Keel as its Keel is bent.

We would like to congratulate L&G Gunn on winning the AA race, that is Son and Grandson of Ron, who is with son Tracy and thank the BBC for the hard work they do.

3rd Open Andy Richardson of Seaford. GB22S21699 sent to Guernsey last year as a youngster and was my first bird home, after being flown North all season with the Sussex North Rd Fed.

Taking a few positions in Club and Federation, flown South this year with the South Coast Fed was sent sitting 14 day old eggs. Bred from proven stock. Dam and Sire both Federation winners on North and South routes.

Well done Lance and Graham on winning and a big thank you to all the organisers that make this racing possible.

Andy Richardson

1st Section G 4th Open Mark Gilbert of Windsor. See young bird report.

Mark Gilbert

1st Section J 5th Open Michael Symonds of Rochford. The pigeon i clocked first from the BBC Guernsey race was a very good hen of mine iIcall "Lady Spitfire" and she is a Raf Claes of Belgium. She's been a brilliant little hen for me she's also topped the Thames For me and had many club and national positions including 9th BICC as a baby. She was raced celibate to a box she reared 2 ybs to early in the season.

Michael Symonds

2nd Section J 6th Open Freddie Hadley of Leigh on Sea. See young bird report.

7th **Open John Cowlin of Hockley.** John clocked a yearling hen, who will also be well up in the BICC result the Saturday before. She was on her 5th race of the season and had been coming quite well in the 3 inland races just missing out to other loft mates on the trap, for positions. She is the same way bred as John champion hen 04, who won 1st open BICC and 2nd Open NFC plus other positions in 2022. being a very well bred Frans Zwols, a Grandchild of D'Artagian, Dream Girl 200, Tip Top Fran and Francein. bred by Formula 1 Lofts.

John Cowlin

8th Open J & B Donovan & P McHugh of Warlingham. GB22S48006 this being only her second race of the season the other being the BICC Guernsey last week.

Her sire is a winner of 5 x 1^{st} and many top positions in the local Federation he is from Leo Heremans blood lines. Dam is a daughter of our combine winner from Bergerac she also has had top positions in the local Federation.

J & B Donovan & P McHugh's hen

9th Open Tommy Sparks & Pauline Dallas of Gravesend. See young bird report.

10th Open 2nd Section D John Adams of Watford. Congratulations to all the winners. After another successful season on the North Road I took the opportunity to turn the cocks around with the BB & O Fed any age races. Topping the Fed from Honiton 1,111 birds 1st & 2nd Fed with old birds, then winning the Fed the following week from Exeter with a young bird.

Having raced celibate for three seasons I decided to pair up after Thurso. My bird is a yearling dark chequer cock send sitting chipping eggs, bred from a son of Mark Gilbert's Southfield Sebastian, double National winner x Euro Diamond.

1st Section A Jim Derbyshire of Whitchurch. "Speckled Jim" - Gaston Van D Wouwer (Sire) Marshall (Dame) both parents from Mr C Garrod's loft in Whitchurch Hampshire. This is the first Channel crossing in two and a half years.

3rd Section D Roger Lowe of Reading. My first bird of the 3 I sent is a hen which is still in the young bird loft. She was bred by Paul Kenny from a cock which I bought at Blackpool and lent it to him. Both the parents of the hen were bred by Derek Walsh of Southern Ireland.

Jim Derbyshire

Mark, Clare & Mia Brown

1st & 2nd Section C Mark & Clare Brown of Hungerford. Firstly like to say well done to the winners, the convoyers for the condition of the birds and your racing committee & race advisors on getting a tricky race weather wise done & dusted.

We entered 5 old hens for this race and look likely to have the first five in the section due to the wind, we had two of our birds return together to record 1st & 2nd Section, prov 17th & 18th Open with velocities of 1573ypm.

First bird clocked was our yearling hen who returned from the first Classic race of the year just behind our first birds who won 4th & 5th open but she had been hawked and freshly wounded, she has been racing as trainers with the young birds and was actually our first recorded bird last week from Exeter when we had 7 on the drop where she beat the actual fed winning young bird loft mate by 3 seconds, she is from our Gert Heylen x Lambrecht family. Our 2nd bird is a 3 year old white flight hen bred by Les Nichols of Bristol, from his Gerrit Lahuis family, she again has been racing with the young birds and was with the first drop last week and also was first over the pads in the midweek Wincanton the week before to beat the club winning young bird by 2 seconds.

2nd Section A Rob Jones & Jamie Wells (Bartlett, Jones & Wells) of Southampton. This 5 year old blue hen has been very consistent for us. She was our favoured pigeon being pooled all the way through. She won the Section in the BBC Ilkeston Old Bird race last year.

Jamie Wells & Rob Jones

Steve Travers first arrival and Bleep Bleep

1st, 2nd & 3rd Section B Steve Travers of Poole. I'd like to congratulate all winners of both races. I was really pleased with all my birds in this race as they have only flown North and the nearest they have got to the Channel is when I've singled them up from Sandbanks Ferry, about 3 miles from home. My first bird is from my Heinz family. She'd been sitting on dummy eggs for 10 days. She won the club on her last outing, 8 July from Stratford upon

Avon. My second bird, and second Section is the Queen of the Loft (Bleep Bleep) who was bred by my good friend, Pat Harris of the Edwards and Harris partnership. She's been an outstanding bird for me in her 3 years of racing and 3rd bird, and 3rd Section is a lovely blue cock gifted to me from a friend and a true pigeon man, Rod Muspratt of Poole. Rod, like me, will be closing the traps for the last time this year.

Next in Section B Mel & Sue King of Blandford Forum. Congratulations to all the winners.

Our first bird was a yearling hen out of our well established Vandenbeele based family. Bred from a son of our NFC Countances National Winner when paired to a daughter of our BICC Le Mans National Winners. The yearling hen missed most of the old bird race season after returning from NFC Fougeres National missing most of her tail and some wing flights with nasty talon gashes to her underside from a Peregrine Falcon strike. Thanks to all the markers and officials.

3rd Section C Geoff & Catherine Cooper of Peasedown St John. At the end of July we started exercising 10 hens who haven't raced since young birds, they were a mix of ages. The widowhood cocks they were previously paired to didn't race this year as they were used as breeders due to us having our stock cocks stolen.

The hens were trained with the young birds and sent as trainers to the young bird races.

The race from Guernsey was their first race of the season. They came well as a team, clocking 9/10 in good time, including 4/10 within 90 seconds.

The hen we timed first was a yearling, bred from a son of Farmer George and Wollongong and the dam was a sister to Lady of the Night, who is a grandchild of Farmer George and Wollongong.
